Gymnastics Policy

My gymnastics classes are designed specifically for students who are also enrolled in dance at our studio. While I am truly grateful for every student who has come through our doors, as our studio continues to grow and evolve, my goal is to remain focused on being a dance school that offers gymnastics as a supplement to our dancers' training. This helps us stay aligned with our mission and continue building strong, well-rounded dancers.

Competition Team

COMPETITION TEAM IS BY INVITE.

If interested please let Miss Brandy know so that she can guide you in the right direction to make this goal achievable.

ATTIRE

Leotards and tights in any color or style are recommended. We love for our dancers to look and feel like dancers, so while everyone does not need to match, proper dance attire is encouraged. Please avoid wearing baggy clothing, as it can make it difficult to see proper technique and body alignment.

TIGHTS

For the safety and technique of our dancers, we encourage all students to wear tights in class. Tights help protect legs during floor work, create clean body lines, and allow dancers to slide and execute movements more smoothly.
